4.5in Suspension Lift Kit for 2015-2016 Ford 4wd F-250 Super Duty | Rough Country Suspension Systems®

Features

- Easy bolt-on installation
- Increased ground clearance
- Levels the front with the rear of the vehicle
- Radius arm drop brackets allow for properly set caster. Proper caster is crucial to maintaining factory handling and driveability.
- Includes application valved N2.0 series shock absorbers which offer the best in balanced performance for on and off-road use.
- Fabricated blocks are stronger and offer a longer lifespan than cast blocks.

Specs

- Install Time: 4-6 hours
- Tires: 35x12.50 R17
- Wheel BS: 4.5"

[View Instructions](#)**Notes**

- Does NOT fit F-350 models.
- Does NOT fit gas engine models.
- Does NOT fit dually models.
- Only fits models with Overload Springs.
- A carrier bearing drop bracket is needed for trucks equipped with a 2-piece rear driveshaft. (#1197)

Warranty

This product features Rough Country's Lifetime Replacement Warranty. All products are warranted to be free from defects in material and craftsmanship for the life of the vehicle if utilized in accordance with the manufacturer's instructions for installation and operation of said products. For complete details and coverage information please click [here](#).

Shipping

We are proud to offer Same Day Shipping. If you place your order before 4:30pm (cst), Monday-Friday, your order will be shipped that day. Parts ordered must be in stock for the order to ship. Approximately 97% of all orders placed leave our warehouses within 24 to 48 hours(not including weekends & holidays). For complete details please click [here](#).
